

LAX meltdown

Reisterstown, Maryland
March 28 & 29, 2009

Begin your outdoor lacrosse season this year at the area's premier preseason warm-up event! Last year 100 teams from Gamber, Hereford, Pikesville, Freedom, St. Peters, Cockeysville, Bethesda, Cobra, MLC, Bel Air, Perry Hall, Catonsville, Jarrettsville, Reisterstown, Towsontowne, CT, PA, VA, NY, NJ, Fallston, and many more participated. Some programs are now sending all their eligible teams! Play a full month worth of games in a single weekend to tune-up your team! And don't worry that your team hasn't had enough practice time. Think of it as trading one regular practice for 4 valuable game situation practices. It would take weeks for your players to gain that experience. But most of all, your players will have *fun*, adding to the excitement of their new lacrosse season. This event is open to **BOYS** in these age groups:

9/10 (Lightning A, B, & C level) • 11/12 (Midget - AA, A, B, & C level)

13/14 (Junior - AA, A, B, & C level) *All ages as of January 1, 2009*

FORMAT: This is *not* a championship/trophy event. Please enter only your program's *regular* teams, *not* combined tournament teams. Example: if you have 2 Lightning B teams in your program, send 1, or 2 teams, but do not combine into one B all-star team. **Each team will play 4 games** (2 on Saturday; 2 on Sunday). Each game will consist of two 20 minute running halves, a five minute halftime, and 2 one minute time-outs per team per half. There will be no overtime. All other MYLA rules will apply.

REGISTRATION FEE: \$350.00 per team. This fee includes all **4 games** for each team, all referee fees, plus a free tournament T-Shirt for each player and coaches (max. 20 per team). Add \$10 each for additional shirts. **Deadline for entry and payment is March 11.** Please register early, as we had to turn away many teams last year. Schedules to be posted approx. March 22 at: **www.montanye.net**

LOCATION: All games will be played in the Reisterstown area at various field locations within 15 minutes of each other. Every attempt will be made to schedule games at convenient times for your team.
